GEO. W. LINCOLN,

THE WELL-KNOWN BUILDER, IS STILL IN THE FIELD AS A CON-
tractor, and is now better prepared to do any and all kinds of work
appertaining to contracting or any other class of work belonging to his trade, in
the same good and workmanlike manner as heretofore; having curtailed my shop
expenses and still retain plenty of room to do any and all kinds of work appertain-
ing to the building trade that may be entrusted to my care. I am enabled to do
the same at very low rates, to suit the extremely dull times, and at the same time
bearing in mind that what is worth doing at all is worth doing well.

Thanking the public for past favors,
I remain respectfully yours,
